Defendants.)	

In accordance with Local Rule 16-3, Defendants request a one-week extension of time—until March 8, 2023—to file Defendants Reply in Support of Defendants’ Motion to Dismiss. Defendants are diligently working on the reply brief, but require this short extension due to previously scheduled deadlines in other matters and to allow adequate time for review of the brief by the Forest Service and Department of Agriculture. A one-week extension will not result in any prejudice or significantly delay resolution of the case. Counsel for Defendants have conferred with counsel for Plaintiffs, and Plaintiffs do not oppose this request.

For the foregoing reasons, Defendants request this Court grant a one-week extension of the due date for Defendant's reply brief.

Submitted this 21st day of February, 2023,
